Expertise

Tide Cleaners uses **GreenEarth® Cleaning solvent** which is the world's largest eco-friendly dry cleaning brand. GreenEarth® is non-toxic, non-irritating, and safe for our water and air. Learn more at greenearthcleaning.com

Tide Assurance.

As laundry experts, we are 100% committed to your satisfaction. If for any reason you are not completely satisfied, we'll do what it takes to make it right.

How it works

Step 1

Find lockers at your location and get the Tide Cleaners Lockers App to make an account.

Step 2

Place clothes in any bag, find an open locker, and place your items inside. Lock using a 4-digit code.

Step 3

Submit your order in the app. Be sure to enter any special instructions before submitting.

Step 4

We'll pick up, clean, and return your order in a reusable bag.

Step 5

We will notify you in the app and via email when your order is ready for pick up.
